

SUBJECT: TMC Steer Axle Actuator Identification

TMC has a smaller size steerable axle actuator (Part number 817101/01) used on a few self-steer axle configurations. Differences between the airbags are described below.

**TMC Self-steer axle actuators.**

Part No	Distance between mounting holes	Round Mounting Plate Dia (Approx)
817101	3.5 In	158mm
817101/01	2.75 In	133mm
